Description of Emblem

The emblem of the University has four salient images depicted in it: The red triangle with its apex pointing up, the bow, the arrow and the entwined snakes.

The triangle with the arrow underscores the Mission of the University: viz, to merge the three enduring objectives – Education, Healthcare and Research – represented by its three sides into a harmonized whole and hold it launched boldly up into the future. The arrow in addition, stands for the wand of Hermes (or the staff of Asclepius) and with the two entwined snakes represents the Caduceus, which has been traditionally used as the symbol of the medical profession. Uniquely, the bow here adds dynamism and a further dimension to the theme as it holds the arrow poised with its focus into posterity.

Annual Report of the University - 2018

From the Chancellor's Desk

I am glad that Sri Ramachandra Institute of Higher Education and Research has many remarkable accomplishments during the year 2018, as detailed in this Annual Report. This university offers an exhilarating and rewarding experience for every student with enormous opportunities to nurture talents and gain competence.

The mark of excellence for any University lies in its facilities & ambience. The exceptional infrastructure at the University, both scholastic and extra-curricular, admirably sets the precise ambience to facilitate excellent teaching learning environment. There have been noteworthy improvements in infrastructure in the colleges & hospital in the past year.

I am in admiration of the efforts that our faculty members have put in to develop the team of subject matter experts. Many courses have been restructured and support is given for promoting research by way of fellowships, grants and awards to the students and faculty members. While new courses have been introduced, competency based curricula have been progressively adopted across the various faculties. Another significant achievement is that exclusive departments have been created for Rheumatology, Hepatology, Hand Surgery and Cardiac Anaesthesia. In addition, Acute pain clinic, Foot clinic and Geriatric clinic have been inaugurated in 2018 with sophisticated equipments and competent doctors & staff, thus satiating the long felt need for healthcare delivery in these areas.

Our University is a place of learning, impeccable in its own way, with a huge & aesthetic campus, enormous library and friendly and professional faculty providing an impressive platform for the overall growth and development of students. Since inception, the versatile skill sets and strong value system imbibed by our students have enabled their recruitment to various esteemed companies.

The Annual report for 2018 contains a wealth of information on curricular and extra-curricular activities, outreach and extension services, distinguished visitors, prestigious awards, research advancements & publications and achievements by faculty, students and staff in various fields. I take this opportunity to congratulate the students and faculty who have won awards and recognition abiding by our core vision of contributing to ethical and intellectual leadership.

My best wishes to the students, faculty members and staff of the university for their unwavering commitment to excellence.

V. R. VENKATAACHALAM

From the Pro-Chancellor's Desk

I am delighted to affirm that our University has witnessed significant growth in the past year, wherein we have shown tangible progress due to sustained efforts to deliver on our vision and mission. The University has augmented student enrolment and reformed its academic structure to offer a unique world-class student learning experience. Our unflinching commitment to academic excellence is evident in the higher rankings secured in National Institutional Ranking Framework (NIRF) – India Rankings 2019.

The University is now well poised in its mission of expansion and growth to make its mark worldwide. The introductions of new programs, plethora of academic activities and enhanced infrastructure have further escalated our teaching and research capabilities. Student innovation is encouraged and supported through fostering a milieu where they can explore and pursue new passions beyond their academic pursuits.

At Sri Ramachandra, we have always strived to create an inspiring atmosphere and learning environment in a beautiful campus ranked the fifth amongst the University (Residential) in the Swachh Campus Ranking 2018 of Higher Educational Institutions. The growing recognition of our university at the national and global levels along with its splendid past will pave the way for new perspectives of academic excellence and enable all our graduates to have the skills, knowledge and confidence to be the best in their areas of expertise. I would like to commend our faculty, students and staff for their involvement, hard work and commitment.

We look forward with a great deal of enthusiasm and optimism to a period of significant development and growth to ensure that our ensuing generations have enhanced prospects to grow, excel and set new benchmarks. Our focus in the year ahead will be to build on our achievements of the past and continue our journey towards excellence. I am sure this success would continue in the years to come.

R. V. SENGUTUVAN

From the Vice-Chancellor's Desk

Sri Ramachandra Institute of Higher Education and Research, is marching ahead as a leading institution of higher education playing an affirmative role in delivering quality education, service and research. Our primary focus is on creating a platform for knowledge enhancement and bridging the gap between academia and research to integrate knowledge with skills. This is evident from the several new programmes that are being offered to meet the needs, aspirations and demands of the students. Through its move towards interactive teaching learning methods that integrate technology and phased adoption of competency based curriculum, the University continues to attract an ever increasing number of students at national and international levels.

Sri Ramachandra Institute of Higher Education and Research has received several awards and improved ranking indicating a leap forward in education, research and outreach. We are set to deliver our vision to ensure that the University leads from the front, distinguished by a commitment to providing holistic education to future generations. Our focus in the years ahead will be to formulate new innovative and impactful education strategies and creating a better future for our students.

We are proud to be a Category-1 institution for maintaining high academic standards and I would like to thank our Chancellor, Pro-Chancellor, Management, Faculty, Staff and Students for their involvement and enduring support. I look forward to building on our significant achievements of the past year and continuing to nurture and support our dedicated staff and able students to achieve their full potential. We reflect on our past and in knowing where we have been, fix our sights firmly upon our future with a greater zeal to excel, taking the University to the pinnacle of success.

P.V. VIJAYARAGHAVAN

Welcome Address and Vice-Chancellor's report
by
Dr. P.V.Vijayaraghavan
Vice-Chancellor
at the 29th Convocation held on the 22nd April 2019.

.....

Respected Chancellor, Shri.V.R.Venkataachalam, Pro-Chancellor Shri. R.V.Sengutuvan, esteemed Dr. S. Eswara Reddy, Drugs Controller General of India, Professor of Eminence and Dean-Research - Prof. S.P.Thyagarajan, Former Vice-Chancellors Prof.S.Thanikachalam and Dr.J.S.N. Murthy, Former and Present Vice-Chancellors from other universities, Distinguished Members of the Board of Management and Academic Council, Respected Trustees of Sri Ramachandra Educational & Health Trust, Dean of Faculties, Registrar, Controller of Examinations, Dean for Students, Dean–Education, Deans of the Medical and Dental Colleges, Principals and Course Chairpersons, Associate Deans, Assistant Deans, Chief Operating Officer of Sri Ramachandra Medical Center, Medical Director, Medical Superintendent, Members of Faculty, Staff, Students and Parents, Distinguished Dignitaries and Invitees, Members of the Media, Ladies and Gentlemen and my dear Graduates!

It gives me great pleasure to welcome you all to the 29th Convocation of Sri Ramachandra Institute of Higher Education and Research (Deemed University). I am happy to present the annual report for the year 2018 and introduce the Chief Guest.

On this important occasion, we humbly invoke the blessings of our Founder-Chancellor, Ayya Shri. N.P.V. Ramasamy Udayar. A man of noble vision, perseverance and determination, Ayya founded Sri Ramachandra Medical College and Research Institute in 1985 and saw to its evolution into a full-fledged University in 1994, with medical, dental, pharmacy and other allied health science faculties in a single unitary campus. Not a day passes without us remembering Ayya. Whenever we venture into any new scheme or improve the existing ones, we are in awe of the farsighted vision and meticulous planning of our Founder-Chancellor.

Our beloved Chancellor Shri. V.R.Venkataachalam has with singular purpose, commitment and dedication carried forward the vision of our founder chancellor to greater heights and focused on quality enhancement in health care and research.

In March 2018, the University was placed under Category-I Universities by the University Grants Commission, under the UGC Regulations for Grant of Graded Autonomy, for maintaining consistently high academic standards. This was an unique honor as only 11 Deemed Universities have been granted such status in the whole country. I am pleased to report that in the latest MHRD NIRF rankings announced on the 8th of April 2019, SRIHER (DU) has made a significant step forward, being ranked 33rd among all universities, 20th among all Pharmacy colleges and Sri Ramachandra Medical College and Research Institute was ranked 11th among all medical colleges in India. This is a testament to the commitment of the entire Ramachandra family for quality in education, healthcare, research and the perception of various stakeholders. The institution, as you are aware, has been reaccredited by NAAC, NABH, AERB, WHO and so on. Later this year we will be going in for the 3rd cycle of NAAC accreditation.

With the guidance of our Chancellor, we are working towards being ranked in world universities ranking, such as Times Higher Education, QS World Universities Ranking, etc. This has led to several initiatives such as the appointment of international faculty as adjunct faculty, implementation of strategies to increase enrollment of NRI and foreign students, providing greater support to encourage international high quality research and publications, initiating new innovative academic programs and expansion of infrastructure. With all these measures, we hope that our institution will secure a commendable rank in world universities rankings in the near future. Therefore with much happiness I join you all in welcoming our respected Chancellor to the 29th Convocation of the Deemed University.

Shri. R.V. Sengutuvan, our dynamic, energetic and forward thinking Pro-Chancellor has set several goals for this university, focusing on the development of innovative programs of global standard, increasing student strength and optimizing the use of available infrastructure and human resources. On behalf of all those present here, I extend a hearty welcome to our Pro-Chancellor.

I extend a very warm welcome to our esteemed Chief Guest, Dr. S Eswara Reddy, Drug Controller General of India, Central Drugs Standard Control Organization, Directorate General of Health Services, Ministry of Health and Family Welfare, Government of India. He is the youngest Drugs Controller General (I) who has worked in all positions in the hierarchy at CDSCO.

Dr. Reddy was born in 1969 in Andhra Pradesh. He completed his Masters Degree in Pharmacy from the College of Pharmaceuticals Sciences, Manipal in 1994 and Ph.D from Jawaharlal Nehru Technical University, Hyderabad in 2009.

Dr. Reddy started his career in 1998 as a Drugs Inspector at CDSCO, West Zone, Mumbai. There he had conducted GMP, GCP and GLP audits. He was promoted as Assistant Drugs Controller of India in 2009 and appointed as Deputy Drugs Controller (India) in 2012. In 2014, he was appointed as Joint Drugs Controller (India). At CDSCO, Dr. S Eswara Reddy has headed various internal divisions like medical device, biological, new drugs, import & registration and others.

He has undergone training from USFDA, KFDA, PMDA and WHO, Geneva. He was awarded with “Best Drugs Inspector award” in 2005 and “Distinguished Alumni Award” from Manipal Academy of Higher Education, Manipal. Recently, he received “Best Drugs Control Officer” award in the year 2016 during 66th IPC held at Hyderabad.

Dr. Reddy has rendered presentations in various national and international seminars and workshops and has several publications to his credit. With the vision to promote public health he was actively involved in framing of Medical Devices Rules 2017, 12th Five Year Plan for strengthening of Indian Drugs Regulatory System and international matters related to MOU, SOI and other quality issues. He has also conducted Risk Based Inspections to ensure the quality of drugs being marketed in the country.

He has always been committed to safeguarding and enhancing the public health by assuring the safety, efficacy and quality of drugs, cosmetics and medical devices.

We are indeed privileged to have amongst us Dr. S. Eswara Reddy. His service to the development of the Drug Regulatory systems is commendable. I thank you Sir, for accepting our invitation to be the chief guest at the 29th convocation of this deemed university. Grandparents are eagerly waiting for your convocation address.

National Institutional Ranking Framework (NIRF)

I am happy to inform that in the recent MHRD-NIRF 2019 ranking Sri Ramachandra Medical College and Research Institute has been ranked 11th among 113 medical colleges in India, The College of Pharmacy has obtained 20th rank among 301 pharmacy

colleges in India and the Deemed University has obtained 33rd rank among 1479 Universities in India. Overall, we were placed 54th amongst 3127 institutions of higher education that participated in the ranking.

Further, the Deemed University was ranked 5th under SWACHH Campus Ranking 2018 of Universities (Residential), implemented by the MHRD, Govt. of India, for maintaining a green, garbage and pollution free hygienic campus.

Awards & Recognitions to Colleges & Hospital

Sri Ramachandra Hospital has received the 'Healthcare Excellence Award-2018' under the category "Quality beyond Accreditation" at the 5th APHI Global Conclave 2018 organized by the Association of Healthcare Providers of India Ltd., at Cochin in February 2018.

In the 8th Medgate Today India Healthcare Awards 2018 function held at Mumbai in March 2018, Sri Ramachandra Medical College & Research Institute was awarded the 'Best College encouraging Medical Entrepreneurship' under the category of Best Private Medical Colleges. Sri Ramachandra Innovation Incubation Centre and Department of Bioinformatics have been certified for Quality Management System ISO 9001:2015.

Administrative Reforms:

The University has been undertaking certain administrative reforms for improved governance and in this direction, in addition to the University Development Council and the University Advisory Committee, Sri Ramachandra Medical Centre Development committee has been formed with the objectives to streamline, expedite and execute initiatives and they are functioning effectively.

Academic initiatives:

This Deemed University has, at present, 6,357 students on its roll, undergoing 115 UG and PG programs, with a faculty strength of around 902. The academic year 2018-19 had a student enrollment of 1918, almost 25% more than enrollment for 2017.

The University has also established two new faculties reflecting the growth of programs and areas of expansion. These include the Faculty of Sports Sciences and Faculty of Clinical Research.

Keeping in mind the needs of the society and the inherent strengths of our university, 12 new job-oriented courses were offered from the academic year 2018-19. These include:

- (i) B.Sc. (Hons.) Environmental Health Sciences
- (ii) B.Sc. Bioinformatics
- (iii) B.Sc. Data Sciences
- (iv) B.Sc. Health Informatics
- (v) B.Sc. Clinical research
- (vi) M. Optometry
- (vii) M.Sc. Biomedical Sciences
- (viii) M.Sc. Urology
- (ix) M.Sc. Audiology
- (x) M.Sc. Speech Language Pathology
- (xi) M.Sc. Clinical Research
- (xii) M.Sc. Medical Psychology
- (xiii) Additional technologies under B.Sc.(AHS) course:
 - (a) Critical Care (b) Orthopaedic (c) Geriatric Care and (d) Paediatric Surgical Technology
- (xiv) D.M. Medical Oncology

In 2019, the university will offer several new programs including

B.Sc. Radiotherapy

B.Sc. Applied Psychology

M.Sc. Applied and Regulatory Toxicology

M.Sc. Respiratory Therapy Technology

M.Sc. Clinical Psychology

M.Sc. Nursing (Nurse practitioner in critical care)

M.Sc. Biomechanics

M.Sc. Biokinetics

M.Sc. Mind Body Medicine

Subject to approval from the MCI, D.M. Hepatology, D.M. Clinical Immunology & Rheumatology, D.M. Endocrinology, D.M. Cardiac Anesthesia, M.Ch. Surgical Oncology and M.Ch. Hand Surgery would commence from the academic year 2019-20.

In this 29th convocation, 495 graduates will be awarded degrees and 22 gold medals will be awarded to the meritorious students. I am pleased to report that 18 Ph.Ds, 30 Super Specialities, 55 Postgraduates and 387 undergraduates will receive their degrees.

This Deemed University launched “SRMC & RI – Healthcare Sector Skill Center” as approved by the Healthcare Sector Skill Council (HSSC), Govt. of India. The first batch of 30 students have completed 13 skills development courses.

An important initiative we have taken to enhance the quality of our curriculum to global standards is the adoption of competency based curriculum in a phased manner. This year, three programs MD/MS, MBBS and B.Sc. (Hons.) AHS, will implement competency based curriculum. Over the next year in a phased manner all programs will reflect learner centric methods, incorporating contemporary tools of curriculum transaction, evaluation and feedback.

Exam Reforms and University Examinations

The Deemed University conducted examinations for 112 programs in 2018. The overall pass % for exams conducted between April 2018 – February 2019 is **97.62%**.

The Process of “on- Screen” evaluation started in 2017 was improvised in 2018. The software was also customized to enable transfer of records for post examination processing by seamlessly linking the data to our E-MIS processes. Over 42,113 scripts have been evaluated during Feb. 2018 to Feb. 2019 by this new process.

The Custom built eMIS [COE- MIS] has seen a quantum leap in facilities that are being offered to all stake-holders (students, faculty, examiners, academic section, CBCS office and Medical Education Unit) for the smooth conduct of examinations and declaration of results within 7 working days of completion of examinations.

Our Deemed to be University has entered into Service Level Agreement with NDML on 28th February 2018. The template for our degree certificate was created and the same was verified on the NAD admin dashboard. With this, the process of transfer of data from our institution has been formalized.

To facilitate capture of the Student NAD-Ids for purpose of seeding their degrees, a separate web page based NAD seeding menu has been provided on our website.

Central Research Facility

The Central Research Facility continues to play an active role in the research activities of the faculty and students. Research is encouraged by the Chancellor, by way of several initiatives and schemes, award of gold medals for best research publications and patents, certificates of merit for research publications with high impact factor., Ph.D fellowships, recognition of faculty as research mentors etc.

In 2018 from this university there were 735 publications that came of theses, 547 (75%) of these were in indexed databases such as Scopus (245), Web of science (166), Pubmed (175) and UGC approved journals (314).

The h-Index of SRIHER (DU) in SCOPUS is 66 and we have over 10,025 citations in Scopus from this university in 2018. We are proud that our faculty have published in top journals such as Lancet (with impact factor WoS 53.25). The table below shows the top 10 journals in which we have had publications in 2018.

Top 10 Journals as per publications of Sri Ramachandra in Scopus/Web of Science with high Impact Factor in 2018 published by our faculty members:

S. No.	Name of Journal	No. of Publications	SNIP [Scopus]	Impact Factor [WOS]
1.	The Lancet	1	14.802	53.25
2.	Annals of The Rheumatic Diseases	2	3.488	12.35

9.	European Journal of Medicinal Chemistry	1	1.531	4.81
10.	Fertility and Sterility	1	1.728	4.8

In the year 2018, around 231 research projects were carried out by our faculty members. Faculties have authored 6 books and 31 chapters in books. Around 118 research papers were presented in international conferences and 442 research papers in the national conferences. 96 posters were presented in international conferences and 431 posters in the national conferences. Our constituent colleges have, in the reporting period, organized 481 programs in conferences/ seminars/ workshops and CMEs. 7 Endowment Orations instituted by our Chancellor were delivered by eminent faculties in 2018.

Summer Research Fellowships for undergraduate students

This special program for undergraduate students has been very popular and we continue to receive a large number of applicants for these summer fellowships. 75 undergraduate students from all faculties have benefited under this scheme in 2018. Several of these projects were presented in the Innovation bazar, an in-house program to foster innovation and scientific rigor across the university.

GATE Project Research Grant

The 'GATE Project Research Grant' are awarded to promising full-time faculty members of this Deemed University every year in the areas of basic, clinical or other applied health sciences. In the year 2018, 18 projects were selected for the grant and details are included in the annual report.

Founder Chancellor Ramaswamy Udayar Fellowships for Ph.D:

In 2018-19, Founder Chancellor Fellowships was restructured. 21 full time Ph.D students were awarded these fellowships across all faculties. This is in addition to the ICMR MD/MS Ph.D integrated fellowships and ICMR/UGC DST/CSIR/INSPIRE/DBT fellowships.

Research Fellowships and awards

In order to encourage research publications and patents by the faculty and students of the University, the Chancellor has instituted several endowments for award of 14 gold medals to them and 53 cash prizes are distributed at the convocation and founders day functions. In 2018, 4 patents were published.

Award of Merit-cum-means Scholarship to Undergraduate students – 2018

Our respected Chancellor has instituted an endowment by name "Sri Ramachandra University Founder-Chancellor Merit-cum-Means Scholarship Scheme" for award of scholarships to meritorious health sciences undergraduate students from low income group.

Sri Ramachandra Hospital:

Sri Ramachandra Hospital (G-Block) has inpatient and outpatient blocks and serves as the primary training hospital for almost all of our clinical programs. The outpatient department receives around 5000 patients per day. The inpatient block has a bed strength of 1584 including ICU and isolation beds.

The hospital has been providing services under the Tamil Nadu Comprehensive Chief Minister's Health Insurance Scheme. Under this scheme 16 Renal transplantation have been done and 24 children have received cochlear implants & subsequent rehabilitation. Total beneficiaries under this scheme have been 5,431 in 2018.

I am also happy to inform the august audience that the SRU-Hyundai Collaboration has continued in 2018, whereby the Hyundai Foundation has extended financial assistance to the tune of US\$ 41,401.48 towards healthcare for needy patients. We gratefully acknowledge the financial assistance given by the Foundation. At a special function held on 19th April, 2019 the Hyundai foundation has kindly agreed to continue the financial assistance for an extended period.

Exclusive super specialty wards have been created for Endocrinology, Rheumatology, Hepatology and Hand Surgery departments. The departments of Clinical Psychology, Clinical Nutrition & Occupational Therapy function as outpatient services. Acute pain clinic, Foot clinic and Geriatric clinic have commenced functioning during the year 2018. The Psychiatric ward has been constructed as per NABH norms. We have also applied for NABH accreditation for hospital.

A MET (Medical Emergency Team) has been created at the Ground floor, IP block. The ICU in the ground floor functions as Medical ICU, Critical Care ICU and Respiratory ICU. 14,870 Major surgeries and over 1,25,653 minor surgeries have been performed.

Various Committees like the Medical Records Committee, Pharmacy Committee, Infection Control Committee, Operation Room Committee, Safety Committee, Clinical Audit Committee and CPR Committee are formed and functioning actively. The reports of these committees are being perused by the Academic Administrative Audit Committee which includes various administrative heads and actions taken based on recommendations suggested. NABH policies and procedures for the various activities are approved by the respective departments and compiled. Complaints and feedback are entered through IBHAR, a customized mobile application. Patient care has been given the highest priority with additional safety measures.

Social responsibility and participation in rural development:

For several years, the University has been conducting on a regular basis, a number of medical camps and also participated in various other programs under the Swachh Bharat Abhiyan and Nirmal Bharat Abhyaan through NSS and NCC. These have helped to instill a sense of social responsibility and provided opportunities for students to be involved in rural development.

Sri Ramachandra Hospital has conducted multi-speciality camps at Rasipuram, Kumbakonam, Thanjavur, Vellore, Melmalaiyanur, Arakkonam, Jolarpet, Perathur, Atcharapakkam and Chennai. Faculty, Postgraduates and CRRIs from various departments participated in the camps. Some basic investigations were done at no cost including ECG, Ultrasound and Echocardiography. Camps were conducted for school children at Kendriya Vidyalaya, Kalpakkam, Sundar Matriculation School, Poonamallee and Sri Ram Matriculation School, Thiruneermalai.

Specialists from the department of Obstetrics and Gynaecology, ENT, Paediatrics, Dermatology and Orthopaedics provide consultations on weekdays at Lions club of Velachery, Chennai. On the request of Corporation of Chennai, special outreach camps have been conducted at Nerkundram, Madhuravoyal, Mugalivakkam & Shakthi Nagar and poly clinics are functioning at Poonamallee, Valasaravakkam, Mugalivakkam, Alandur and Nerkundram.

Sri Ramachandra Hospital conducted Gaja cyclone relief - free medical camp from 23.11.18 to 25.11.18 at Thiruvarur, Thiruthuraipoondi, Pattukottai & Mangudi during which 1937 patients were treated.

This year also marked the completion of 12,000 free cleft surgeries under the support of Smile train. The departments of Plastic Surgery, Orthodontics, Community Dentistry, Speech Language and Hearing Sciences have continued to provide comprehensive care to almost 500 children with cleft palate living in rural areas of Cuddalore and Thiruvanamallai through funding from Transforming Faces Canada.

The hospital also observed several international and national days to raise awareness through several initiatives such as human chain, awareness walks, exhibitions, free screening, radio talks and street plays.

Awards & Honors to Faculty and Students

The members of the faculty, students and staff were selected for many distinguished awards and certificates. I would like to mention some of the notable achievements here:

- Dr. K. Balaji Singh, Dean-Students, Prof. & Head, General Surgery was appointed as a member of The Tamil Nadu State Food Commission. He also received Medical Excellence Award.

- Prof. Roopa Nagarajan, Academic Officer & Chair person, Dept. of SLHS was awarded the Bharath award for services to the Indian Speech and Hearing Association.

Central Library of the University

The Central library caters to the academic needs of the students of the University. As of 2018 there is a collection of 59,757 text books, 2800 books being added this year. We have 395 national and international print journals, 521 online journals and 98,215 back issues. The e-learning resource has been well equipped with popular databases and widely used by faculty, students and research scholars.

Medical Education Department

The Medical Education Department of the Deemed University has been recognized by the Medical Council of India as a Nodal Centre for Advanced Medical Education Technologies and it has been offering Revised Basic Course Workshops in Attitude, Ethics and Communication (AETCOM) and Advance Course in Medical Education Technologies (ACME) to the faculty members of medical colleges. The Medical Education Department has conducted workshops for 433 faculty members of 59 medical colleges in Tamil Nadu, Puducherry, Chattisgarh, Odisha, Sikkim and Tripura during the year 2018.

E-learning portal, Swayam Prabha AV Studio and NPTEL-IITM - SRMC & RI first of its kind for a health care university have been set up in the Medical Education Department and faculty have been trained to use e-learning and online modes of education.

Training for our graduates to take up global competitive exams in the campus through Royal College MRCS & Edupristine for USMLE are in process. We are also in the process of setting up a training center for NEET exams.

Unit of UNESCO in Bioethics at SRIHER

World Bioethics Day is being observed on 19th October every year with an inspirational talk on bioethics and a panel discussion with eminent professionals in bioethics. The Students Bioethics unit of SRIHER with steering committee members from all constituent colleges is reconstituted every year. SRIHER students have won 5 prizes at World Bioethics Day International competitions.

Placement Cell

Sri Ramachandra Institute of Higher Education and Research Placement cell is the centralized unit that has accelerated the pace of placement activities in this Deemed University. This year Placement Cell has made 350 offers through 50 campus processes. Some of the recruiters are Philips, Biocon, Wipro GE, Siemens, Astra Zenca, Abbott, Apollo Hospitals, Fortis Malar, Wockhardt, Pfizer, Cipla, Bioclinica, HCL Technologies Nestle, The Himalaya, Sankara Netralaya, HDFC Group, etc. The salary package offered ranged between Rs. 2.1Lakhs to Rs. 14.4 Lakhs per annum.

Sports Activities

Sports and athletics continue to be encouraged as always. Our students have received laurels and many overall championships in several All India Inter University level, State level, State Inter University level, Inter Collegiate level competitions held in 2018. There were also some noteworthy individual accomplishments.

International

Mr. Enoch Newton J. (BPT - 2nd year) secured Gold medal in 100 m and 200 m in 39th World Medical & Health Games & International Sports Medicine Symposium from 16th to 23rd June 2018 at Malta.

National:

Ms. Vilassini Sundar (B.Sc. Sports & Exercise Science - III year) secured 2nd place in Covelong Point National Surf Championship 2018 held at Chennai, Tamil Nadu from 17th to 19th August 2018.

Ms. Jaya Veena A.V. (B.Sc. Sports & Exercise Science – III year) secured 2nd place in 72nd Senior National Aquatic Championship 2018 held at Trivandrum, Kerala from 19th to 23rd September 2018.

National Service Scheme (NSS) and (NCC)

National service scheme in this university has 5 NSS units with the 5th unit launched in 2018. The total strength of NSS volunteers is 500, which is the highest number in any medical university. These student volunteers have rendered need based relevant community services in the five adopted villages in Poonamallee Taluk. Apart from 26 regular community programs such as open defecation free village, garbage free village and disease free village including medical camps, this university has implemented two Government of India programs namely Swachh Bharat Summer Internship program and Unnat Bharat Abhiyaan Program in the above adopted villages during 2018-2019. The “National Service Scheme and Nation Building” is offered as a Skill Enhancement Elective Course to the students under the CBCS pattern.

In 2018, the university also saw the establishment of one senior division NCC Army unit with cadet strength of 60 and one senior division NCC Naval wing with cadet strength of 50.

Sri Ramachandra Alumni Association

The Alumni Association of Sri Ramachandra Institute of Higher Education and Research emerged stronger in 2018 as a structured and unified body and has been registered as the “ALUMNI ASSOCIATION OF SRI RAMACHANDRA INSTITUTE OF HIGHER EDUCATION AND RESEARCH” under the Tamil Nadu, Society Registration act 1975, on 13th November, 2018. Now all alumni chapters work together through the Central Alumni Association. There are currently 3600 alumni registered of which 596 are on campus as faculty/ post graduate students. Seven alumni were recognized for their outstanding contributions to society at the Founders day celebration in 2018.

The University has also been recognized with the MEDGATE award on March 16th 2018 indicating that we have a rich fund of entrepreneurs from our alumni, who have graduated from the university.

Bridges

Bridges, the monthly newsletter of the University has completed 128 issues and 98 successful book reviews since its inception. We congratulate the *Bridges* team for the Decennial celebration of *Bridges* in August 2018. We are happy that *Bridges* continues to keep the Sri Ramachandra family connected through its updates of important happenings and events in the campus.

Conclusion

As this deemed university stands on the threshold of rapid expansion and enhanced quality in education, service and research, I quote Tae Yoo, (Senior Vice-President CISCO corporate affairs) “Together we have the power to inspire, connect and deliver on new opportunities and rich experiences that can open doors to innovation and progress while growing global economies and increasing well-being”. While we take pride in all that we have achieved, we dedicate ourselves towards excellence in academics, research and service to society under the able guidance of our beloved Chancellor.

May I take this opportunity to thank the Chancellor, Pro-Chancellor, University officers, faculty, students and staff for their united and untiring efforts to bring laurels to the Deemed University.

I welcome you all once again and thank you very much for your attention.

May I request the respected Chancellor to declare open the 29th Convocation of Sri Ramachandra Institute of Higher Education and Research, Deemed University.

Medical Excellence Award to
Dr. K. Balaji Singh, Dean-Students,
Prof. & Head, General Surgery

Orations

Dept. of Cardiology conducted the 1st Dr. S. Thanikachalam Endowment Oration in Cardiac Sciences on Tricuspid Valve & Coronary Artery Disease by Dr. George Cherian, Head of Cardiology, Narayana Institute of Cardiac Sciences, Bengaluru.

Dept. of Neurosurgery conducted the Shri. N.P.V. Ramasamy Udayar Oration in Neurosciences on 'Awake Craniotomy and Intraoperative Neuromonitoring' by Prof. Michael Sabel, Dept. of Neurosurgery, Heinrich-Heine-University Düsseldorf, Germany.

Faculty of Nursing organized the 2nd Dr. S. Thanikachalam Endowment Oration by Prof. Anice George, Dean - Manipal College of Nursing, Manipal Academy of Higher Education, Karnataka on the topic 'Nursing in India: Today and Beyond'.

Faculty of Dental Sciences conducted the Tmt. Janaki M.G.R. Endowment Oration - 2018 on the topic, 'Dentistry in Changing Times' by Prof. Dibyendu Mazumder, President, Dental Council of India.

Faculty of Physiotherapy organized the 3rd Smt. Kamalam Ramasamy Udayar Endowment Oration in Physiotherapy on 'Physiotherapy Journey: A Hitchhiker's Tales' by Prof. Savita Ravindra, HOD, Dept. of Physiotherapy, Ramaiah Medical College, Bengaluru.

Faculty of Biomedical Sciences, Technology and Research organized the 2nd Prof. S.P. Thyagarajan Endowment Oration in Biomedical Sciences, Technology and Research on 'Making Drugs out of DNA and RNA' by Prof. K.N. Ganesh, Founder – Director, IISER, Tirupati.

Faculty of Biomedical Sciences, Technology and Research organized the 2nd Prof. S.P. Thyagarajan Endowment Oration in Biomedical Sciences, Technology and Research on 'Making Drugs out of DNA and RNA' by Prof. K.N. Ganesh, Founder – Director, IISER, Tirupati.

Significant Achievements

Dept. of Plastic Surgery in collaboration with the multidisciplinary team of Sri Ramachandra Cleft & Craniofacial Center observed the National Cleft Lip & Palate Awareness Day and celebrated the completion of 12,000 free surgeries on 24th Feb. 2018.

National Centre for Disease Informatics and Research (NCDIR), Indian Council of Medical Research (ICMR) in collaboration with SRMC & RI (DU) and National Institute for Research in Tuberculosis (NIRT) conducted a seminar for Dissemination of the ICMR National Ethical Guidelines for Biomedical and Health Research involving human participants 2017, National Guidelines for Biomedical Research involving children and National Guidelines for Stem Cell Research on 7th Feb. 2018.

The Student Council in association with the Cleft & Craniofacial Center and Smile Train, the world's leading cleft charity conducted Duathlon Relay 2018 to abolish the stigma associated with cleft and create awareness for the ease of access to treatment.

Campus Environment Day with the theme, Clean India – Let's make the Change was celebrated in commemoration of the birth anniversary of Smt. Kamalam Udayar.

Dept. of Medical Education conducted a conference on Challenges in Implementing a Competency Based Curriculum for Medical Undergraduates - FORESEE. Dr. Vedprakash Mishra, Chairman, Academic Committee, MCI was the chief guest.

In co-ordination with the CRF, the Indo-US Research Capacity Building Program – Phase III was conducted by Prof. Caven McLoughlin, Kent State University, USA & Visiting Professor, SRIHER (DU).

SRMC & RI (DU) observed the International Day of Yoga by organizing a workshop with the theme, 'Yoga for Well-Being'.

The 21st All India Sub-Junior and Inter-State Challenger Sprint National Rowing Championship was organized by the Rowing Federation of India and hosted by the Tamil Nadu Amateur Rowing Association at Sri Ramachandra Water Sports Centre (SWSC).

Centre for Sports Sciences along with the Olympian Shooter Gagan Narang's Gun for Glory (GFG) Academy established a Shooting Academy. Shri. P. Balakrishna Reddy, Honorable Minister for Youth Welfare & Sports Development, Govt. of Tamil Nadu inaugurated the academy.

Sri Ramachandra Center for Women's Advancement organized an Awareness Program on Constitutional and Legal Rights/Entitlement of Women as part of the initiative by National Commission for Women to conduct the second nationwide competition.

SRIHER (DU) observed World Bioethics Day.

Convocations

27th Convocation on 21st April 2018

Dr. Surinder Singh, Director, National Institute of Biologicals, Ministry of Health & Family Welfare, Govt. of India, New Delhi was the chief guest.

28th Convocation on 20th August 2018

Prof. David J. Galloway, President, Royal College of Physicians and Surgeons of Glasgow was the chief guest. Dr. Steve Graham, Chief Executive Officer, Royal College of Physicians and Surgeons of Glasgow was the guest of honor.

RESEARCH PROJECTS

a) EXTRAMURAL

ANATOMY

S. No.	Title of the project	Project team	Funding agency	Year & Duration	Total Grant (in Rs.)
1	Effects of inhalation of formaldehyde on gonads of Wistar Albino rats	Mr. K. Yugesh	SRU	2018 1 year	86278
2	Comparative study on therapeutic and protective effect of Grape(Vitis Vinifera) seed and pomegranate (Punica Granatum) seed on Lead induced Testicular Damage in Wistar Albino Rats	Mr. Mahesh Babu	SRU	2018 1 Year	3,20,0000
3	Histological study of multiple organs in adult rat model	Mr. K.S.V. Angu Bala Ganesh	SRU	2018 4Years	100000
4	Effect of Lannea Coromandelica Herbal Extract in Regeneration of Pancreatic islets and Associated Changes on Ductal Cells in Streptozocin induced Diabetic Rats.	Mr.Jacques Brittio N.	SRU	2018 4 years	100000

ARTHROSCOPY AND SPORTS MEDICINE

1.	Influence of core and lower limbs strengthening on sources kick and injury presentation- 3D biomechanical & EMG analysis	Dr. S Arumugam	ICMR	2018 to 2023	15,000/- per year
2.	Effects of high altitude training on endurance and blood parameters	Dr. S. Arumugam	ICMR	2018 to 2023	15,000/- per year

BIOCHEMISTRY

1.	Ovarian cancer susceptibility genes in a South Indian population	Dr. Andrea Mary F. Dr. Usha Rani Dr. R. Ramya Dr. Nalini Ganesan	DBT	2015-2018	24.30 lakh

CARDIOLOGY

1.	Validation of Genetic Marker Associated with the dose response to Cardiovascular drugs – Clopidogrel and Warfarin using DNA frequencing technology	Dr. T.R. Muralidharan Dr. Ramesh K Goel Ms. C.D. Mohanapriya	V Clin Bio Lab	2015	1.65 lakh
2.	Genome Wide Association Study to identify Genetic Variants conferring risk to Cardiovascular disease Pilot study in Indian Population	Dr. T.R. Muralidharan	DST – Laila Pharmaceutical Pvt. Ltd., Chennai	2015	1.65 lakh

CHEST & TB

1	To assess the cancer predicting ability of serum biomarkers MMP9, IL8, VGF in patients with COPD	Ms. Sangamithra, Dr. Venkatachalam Dr. B. Hariprasad	BARC, Mumbai	2017	-

2	Dynamics of velopharyngeal closure mechanism in male's pharyngoplasty	Dr. Syed Altaf Hussain, Dr. Charanya, Dr. Koushik Muthu Raja	Lady Tata Memorial Trust	2017	-

COMMUNITY MEDICINE

1.	Active surveillance for chest symptomatic & active case finding for tuberculosis among migrant brick-kiln workers in a rural area in Tamil Nadu	Dr. Vanishree Shriram Dr. Srihari Ms. Gayathri	TB Association of India	2016	20,000
2.	Does A2 milk protect from type 2 Diabetes Mellitus and other non-communicable diseases? – a retrospective cohort study	Dr. Vanishree Shriram Dr. Shriram Mahadevan Dr. Anitha Rani	Research Society for the Study of Diabetes in India (RSSDI)	2018	50000

DERMATOLOGY & VENEREOLOGY

1	Acne Vulgaris	Dr. S. Anandan	Dr. Reddy Laboratories	2017-2018	50000

E.N.T

1	Early identification of conductive hearing impairment and middle ear pathology in 1 to 3 year old children	Prof. Sanjeev Mohanty	Science and Engineering Research Board, Govt. of India	2017 3 years	23,38,000
2	Utility of high resolution melt analysis in the rapid unambiguous identification of human pathogenic mucomycetes	Prof. Sanjeev Mohanty	-	2017 3 Years	24,84,000

ENDOCRINOLOGY, DIABETES AND METABOLISM

1	Incretin response in South Indian subjects with and without Diabetes	Dr. Shriram Mahadevan	ESTN	2018	1.5 lakh
2	Duodenal mucosal changes and entero-endocrine cell density in Type 2 Diabetes mellitus	Dr. Shriram Mahadevan	ESTN	2018	1.5 lakh

GENERAL MEDICINE

1	A Multicentric, Open label, Randomized, Phase III Study on the Safety and Efficacy of <i>Sofinox Gel</i> (Sodium Fusidate equivalent to Fusidic Acid 2%w/w) in Diabetic Wound Healing	Dr. R.B. Sudagar Singh, Dr. Vaishnavi S, Dr. Sathish	CRO study (multicentric) -	2018	1.8 crores
2	Evaluation of Safety and Efficacy of Hydroxychloroquine Sulfate as an Adjunct to Diet and Exercise to Improve Glycemic Control in Type 2 Diabetes Patients Uncontrolled on Sulfonylurea + Metformin Combination.	Dr. R.B. Sudagar Singh, Dr. Vaishnavi	IPCA	2018	2.5 lakhs

MICROBIOLOGY

1.	Gut Microbiota in Type 2 diabetes	Dr.Padma Srikanth	RSSDI	2015 3 years	6,00,000
2.	Oral Micro Biota in Type 2 diabetes	Dr.Padma Srikanth	RSSDI- TN	2016 3 years	25,000
3.	Wellcome Trust Rota Virus	Dr.Padma Srikanth	Wellcome Trust	2014 4 years	2,60,000
4.	Characterization of mechanisms of quinolone resistance in GNB (PhD research)	Ms.P.V. Geetha and Dr.Uma Sekar	DST (WOSA)	2016 1 year	20 lakhs
5.	Characterization of aminoglycoside resistance in GNB (PhD research)	Ms.Aishwarya and Dr.Uma Sekar	DST (Inspire)	2016 1 year	10 lakhs
6.	Design and Development of hospital waste management technique for safe disposal of biomedical waste	Dr.Padma Srikanth	DST	2016 2 years	143.52 lakhs

NEONATOLOGY

1	Thermoregulation of stable LBW infants in a low cost incubator	Dr. Ashok C.	UMBC	2017	21,00,000

NEURO RADIOLOGY

1.	Biological effects of low dose ionizing radiation received during diagnostic radiological procedures	Dr. P. Venkatachalam	Dept. of Human Genetics	3 years	46,23,000
2	Aneurysm Flow Technical background and clinical evidence MAFA	Dr. Santhosh Joseph	M/s Philips Company	2016	22,00,000
3	Multi center observational cohort study to evaluate cerebral Aneurysm flow results in occlusion (CARO)	Dr. Santhosh Joseph	M/s Philips Company	2018	12,00,000

NEURO SURGERY

1	PAK – 1 as a therapeutic target in Glioma	Dr.K.Ganesh	Department of Biotechnology, Ministry of Science & Technology (Govt. of India)	2017	37,58,000

OBSTETRICS & GYNAECOLOGY

1.	Ovarian cancer susceptibility gene in a south Indian population	Dr. Usha Rani	Government of India – Ministry for science and technology, Department of Bio technology	2015 - 2020	24,30,000/-

OPHTHALMOLOGY

1	Neurotrophins and inflammatory markers in the progression of pre-diabetes to Type 2 Diabetes Mellitus and Diabetic Retinopathy	Dr.Mary Thomas	Novartis Pharmaceuticals	2017-2018	22.2 Lakhs

PAEDIATRIC MEDICINE

1	A phase 4 randomized open label trial to describe the safety, tolerability and immunogenicity of 13 valent pneumococcal conjugate vaccine formulated in multidose vials when given with routine paediatric vaccine in healthy infants in India	Dr.L.N.Padmasaini Dr. Sarala Premkumar Dr. Vidya Krishna Dr. P. Anitha	Pfizer	2018	25 Lakhs

PATHOLOGY

1.	Does Type II Diabetes result in early degeneration due to stress induced senescence in human intervertebral discs? - A tissue bio marker evaluation	Dr. Sudhir, Dr. Subha Lakshmi, Dr. Sandhya Sundaram	AO-Spine	2017 – 2018	4,00,000

PHYSIOLOGY

1	Heat stress and lack of toilet access on the women's health – A looming public health risk during hot seasons	Dr.Priscilla Johnson	DST - SPLICE	2017 3 years	51,88,000
2	Evaluating the role of periostin as a novel biomarker in asthmatics of Puducherry	Dr.Priscilla Johnson, Dr.Sathya G.R. Dr.Subhasis Das	DST - SERB	2018 3 years	3,16,150
3	Role of soluble urokinase type plasminogen activator receptor (supar) as a predictor of COPD severity	Dr.Priscilla Johnson, Dr.Rekha D., Dr.Subhasis Das	DST - SERB	2018 3 yrs	5,95,000
4	Lipoprotein A as an independent risk factor for coronary artery disease in younger age group in South India	Alisha Mary Cherian I year MBBS Guide : Dr Sheela Ravinder S.	ICMR -STS	2018 – 3months (Ongoing)	Rs. 10,000

PLASTIC SURGERY

1.	Malek's Pharyngoplasty	Dr.Syed Altaf Hussain	Tata Memorial	2016	15,00,000

PSYCHIATRY

1	A Randomized, multicenter, multiple dose, two-treatment, single period, parallel, steadystate Fasting Bioequivalence study of Paliperidone palmitate ER Injectable Suspension (546 mg; Mylan) and INVESGA TRINZA ER Injectable Janseen Pharmaceuticals, Inc in subjects with Schizophrenia	Dr. R.Sathianathan, Dr.Padmapriya, Dr.Vivian Kapil	Mylan Laboratories	2018	-
2	A Randomized, double-blind, multicentric, active controlled, Phase IV clinical study to evaluate the safety, efficacy and tolerability of fixed dose combination of Clonazepam 0.25 mg and Propranolol 10/20 mg in patients with anxiety disorders	Dr. R.Sathianathan, Dr.Padmapriya, Dr.S.Natarajan, Dr.Vivian Kapil	Micro Labs	2018	-

SURGICAL ONCOLOGY

1	Utility of preoperative staging of ipsilateral axilla with ultrasound and guided needle aspiration in early stage breast cancer - current Indian scenario	Balasubramanian V, Suhaildeen, Thanaraj	-	2018	-

UROLOGY

1	Role of MicroRNA promoter hypermethylation in carcinoma prostate	Dr. Hari Harasudhan, Prof. Venkat Ramanan	-	2018	-
2	Anti cancer activity of the Bacoside enriched extract against Prostate Cancer Cell lines.	Dr. Bhawna Dr. Sriram	-	2016	-

VASCULAR SURGERY

1.	Single A arm, open label, multicentric, clinical study assessing the efficacy and safety of intramuscular administration of stempeucel (Ex Vivo vulture adult bone marrow derived allogeneic mesenchymal stem cells) in patients with critical limb ischemia due to Buerger's disease	Dr. R. Radhakrishnan	Acunova	2018	100000
2.	Single A arm, open label, multicentric, clinical study assessing the efficacy and safety of intramuscular administration of stempeucel (Ex VIVO vulture adult bone marrow derived allogeneic mesenchymal stem cells) in patients with critical limb ischemia due to Atherosclerosis	Dr. R. Radhakrishnan	Acunova	December 2018	100000

RESEARCH PROJECTS

a) EXTRAMURAL

PEDODONTICS

S. No.	Title of the Project	Project Team	Funding Agency	Year & Duration	Total Grant (Rs. in lakhs)
1.	Evaluation of interproximal contact areas of primary molars as a risk factor for Early Childhood Caries	Dr. Kirthiga, Dr. M.S.Muthu	Welcome Trust / DBT India Alliance	2018 (5 years)	102.74 lakhs

b) INTRAMURAL

PEDODONTICS

1.	Evaluation of masticatory efficiency, bite force and occlusal force distribution in pre-school children with Early Childhood Caries	Dr. Chakravathy, Dr. M.S.Muthu	—	2016 (6 years)	Self-funded
2.	Association of sleep time feeding practices with Early Childhood Caries (ECC)	Dr. Akila, Dr. M.S.Muthu	-	2015 (6 years)	Self-funded
3.	Cariogenic potential of Human Breast Milk	Dr. Noopur, Dr. M.S.Muthu	—	2017 (3 years)	Self-funded
4.	Viscosity of Milk as a risk factor for ECC	Dr. Noopur , Dr. M.S.Muthu	—	2017 (3 years)	Self-funded
5.	Herbal mouth rinses for preventing dental caries for children and adolescents – A systematic Review	Dr. Abirami, Dr. M.S.Muthu	-	2017 (3 years)	Self-funded
6.	Antimicrobial/ Remineralizing effect of Terminalis Chebula (Kadukai)	Dr. Abirami, Dr. M.S.Muthu	—	2017(3 years)	Self-funded
7.	Age Specific Oral health Care Protocol in Cleft Lip & Palate children in Preventing ECC - An Interventional Cohort study	Dr. Sukanya, Dr. M.S.Muthu	—	2016(3 years)	Self-funded
8.	Diagnostic ability of a smart phone App (Injured tooth) in diagnosing traumatic injuries to the teeth - A multicentre analysis	Dr. Anusha M., Dr. M.S.Muthu	—	2016(3 years)	Self-funded

CONSERVATIVE DENTISTRY & ENDODONTICS

1.	Prevalence of Dental Erosion Defects in Gastroesophageal Reflux Disease Patients in a Tertiary Healthcare Hospital in South Indian Population - A Cross Sectional Pilot Study	Dr. Rajeswari, Dr. Arathi G., Dr. Kandaswamy	Department funded	2017 & 2 years	0.10
2.	Microhardness alteration potential of a naturally occurring antioxidant	Dr. Hasini	Department funded	2018 & 6 months	0.08
3.	Effect of cavity disinfectants on shear bond strength of self-cure composite resin	Dr. Beji Joshna	Department funded	2018 & 6 months	0.15
4.	Fracture resistance of horizontally fractured tooth stabilized by intra radicular splinting	Dr. Sindhu	Department funded	2018 & 6 months	0.30
5.	Effect of cryotherapy on the external root surface temperature during thermoplasticized guttapercha obturation	Dr. Vinoth Kumar	Department funded	2018 & 6 months	0.10
6.	Smear layer removal & ion concentration in dentin with various chelating agents	Dr. Sruthi	Department funded	2018 & 6 months	0.10
7.	Morphological variations in maxillary second molars in Tamil Nadu population using CBCT	Dr. Arivunithi K., Dr. Athira S., Dr. Shreya Bose	Department funded	2018 & 6 months	0.01
8.	Antibacterial efficacy of Epicatechin and Catechin against <i>streptococcus mutans</i>	Dr. Pradeeba Anandhi V., Dr. Veena Satish	Department funded	2018 & 6 months	0.10
9.	Polymerization Kinetics and thermal behavior of bulkfill fiber reinforced resin composite- A pilot study	Dr. Vinoth Kumar	Department funded	2018 & 6 months	0.10
10.	Effect of potassium nitrate on whitening efficacy of bleaching agent	Dr. Sruthi	Department funded	2018 & 6 months	0.08
11.	Correlation of beam profile of different light emitting diode curing lights with microhardness and degree of conversion of nanohybrid restorative composite resin	Dr. Yogalakshmi	Chancellor's Summer Research Fellowship-2018	2018 & 3 months	0.10

PROSTHODONTICS

1.	Evaluation of cytotoxicity between injection moulding and compression moulding PMMA (polymethyl methacrylate) – an <i>in vivo</i> study	Ms. Hema Shree E., III BDS Ms. Daphne Anishya J., III BDS Dr N. Shanmughanathan	Chancellor's Summer Research	2018	0.10
2.	To evaluate the influence of Catechin (EGCG) on the cytotoxic effects of heat activated poly methyl methacrylate (PMMA) - an <i>in vivo</i> study	Ms. Deeivi Abbinayah R., IV BDS Ms. Geerthanana M., IV BDS Dr. Uma Maheswari	Chancellor's Summer Research	2018	0.10
3.	To evaluate the effect of sodium silicon fluoride on dimensional stability of alginate	Ms. Jesima J., III BDS Ms. Jessika Adeline Babuswamy Nathan, III BDS Dr. J. Karthigeyan	Chancellor's Summer Research	2018	0.10
4.	A novel technique to establish the link between oral microbes and atherosclerosis using saliva as a diagnostic tool	Ms. Pavithra J., IV BDS Ms. Mahalakshmi R., IV BDS Guide: Dr. T.T. Saravanan	Chancellor's Summer Research	2018	0.10
5.	To compare the anti-candidal effect of commercial denture cleansers and natural extracts	Divya Sri V. M., III BDS Varsha R., III BDS Dr. T. T. Saravanan	Chancellor's Summer Research	2018	0.10
6.	Evaluating the characteristics of thermoplastic resin denture base materials and compare the properties of tissue supported and tooth supported prostheses	Ms. Nivedha R., IV BDS Dr. Fathima Banu & Dr. I. Athiban	Chancellor's Summer Research	2018	0.10

PERIODONTICS

1.	Estimation of difference in radicular cementum thickness of periodontally infected teeth from type II diabetes and non-diabetes subjects	Mr. Lokesh, III BDS	Chancellor's summer research	2018	0.10
2.	To assess the decibel levels of dental instruments and its effect on dentists	Ms. Thanmayi Akshara, II BDS	Chancellor's summer research	2018	0.10

3.	Evaluation of dental anxiety scale (Corah's) and visual analogue scale (vas) for patients undergoing periodontal therapy	Ms. Sivaranjani, IV BDS	Chancellor's summer research	2018	0.10
4.	Effect of various anatomical factors on position of marginal gingiva and interdental papilla in a south Indian population	Ms. Swarna priya, Ms. Gopika CRI	Chancellor's summer research	2018	0.10

ORAL & MAXILLOFACIAL SURGERY

1.	Thermal changes with effect to drill speed and drill stress during implant site osteotomy	Ms. Sowmya Dhamodharan, Dr. S. Senthoo Pandian & Dr. C. Ravindran	Chancellor's Summer Research	2018	0.10
2.	Evaluation of forearm muscle activity during implant placement-an invites study	Ms. Pamila Mary, Dr. S. Senthoo Pandian & Dr. C. Ravindran	Chancellor's Summer Research	2018	0.10
3	Proliferation and osteogenic characterization of dental pulp derived stem cells in 3D printed scaffolds	Dr. Emmanuel Dhiravia Sargunam A., Assoc. Prof., Oral & Maxillofacial Surgery Dr. Alan M. Punnoose, Asst. Prof., CRF	GATE	2018	-

ORAL MEDICINE & RADIOLOGY

1.	Evaluation of genetic changes in radiation therapy of oral cancer	Ms. Hashi S.R. Thakkar, CRI	Chancellor's Summer Research Fellowship	2018	0.10
2.	Evaluation of radiation safety of the operator in diagnostic dental radiography	Ms. R. Niranjana, CRI	Chancellor's Summer Research Fellowship	2018	0.10

ORAL PATHOLOGY

1.	To assess the salivary pH pre, during & post radiation therapy	Ms. Abhilasha, Ms. Shiby Gautham III BDS Dr. R. Vidhya	Chancellor's summer research fellowship	2018 / 2 months	0.10
2.	3D wax model development for tooth morphology lab: A novel guided carving system	Mr. Adita Shivam, Ms. Vaishnavi II BDS Dr. Soumya A.	Chancellor's summer research fellowship	2018 / 2 months	0.10

RESEARCH PROJECTS

(i) EXTRAMURAL

S. No	Title of the project	Project team	Funding agency	Year & Duration	Total Grant (Rs. In Lakhs)
1.	Collagen Peptide Composite Hydrogel & 3D Scaffold: A Multi-pronged Strategy to Combat the Burden of Chronic Diabetic Ulcers	Dr. S.Shanmuganathan, Dr. Sathish Kumar Ramadass	DST- NPDF Department of Science and Technology, National Post- Doctoral Fellowship Scheme	2016 - 2018 & 2 years	19.20
2.	Pharmacological and toxicological evaluation of Indian Noni (<i>Morinda citrifolia</i>) in animal models of psychiatric disorders	Dr. J.Srikanth	AICTE Career award for young teacher (CAYT)	2015 - 2018 & 3 years	2.50
3.	Effect of <i>Andrographis paniculata</i> in regulation of whole body energy homeostasis in mice fed with high fat diet	Dr. D.Chamundeeswari, Dr. Mathan Kumar	DST- NPDF Dept. of Science and Technology, National Post- Doctoral Fellowship Scheme	2016 - 2018 & 2 years	19.20
4.	Systematic and Scientific investigation of selected medicinal plants from north eastern part of India for rheumatoid arthritis and derivation of mechanism of action using bioguided fractionation methods besides identification and characterization of lead molecules using liquid-liquid separation technique	Dr. D.Chamundeeswari, Dr. R.Thirumalai Kumaran, Dr. S.Latha	Department of Biotechnology North Eastern Region– DBT (NER)	2018-2021 & 3 years	30.168
5.	Synthesis fabrication characterisation and evaluation of fluconazole zinc complex loaded nanosponges for topical delivery	Dr. Saba Maanvizhi	Tamil Nadu State Council for Science & Technology (TNSCST)	2018 & 1 year	0.1
6	Assessment of medication adherence, clinical outcomes and quality of life of schizophrenic patients on maintenance therapy with oral and depot antipsychotics	Dr. N.Vanitha Rani	Tamil Nadu State Council for Science & Technology (TNSCST)	2018 & 1 year	0.1
7	Barriers of community pharmacist in identification and referral of presumptive tuberculosis cases in Thiruvallur District of Tamil Nadu	Dr. Rajanandh M.G.	The Tuberculosis Association of India	2018 & 1 year	0.15

(ii) INTRAMURAL

S. No.	Title of the project	Project Team	Funding agency	Year & Duration	Total Grant (Rs. in lakhs)
1.	Transcriptome analysis of Human dermal fibroblast proliferation and migration on bio-induction for wound healing gene expression profiling	Dr. S.Latha, Dr. K.Mangathayaru	GATE	2018	0.95
2.	Bioanalytical quantification of vitamin C in human blood plasma by Reverse phase-high performance liquid chromatographic method and correlation with semen quality on infertility in men	Dr. C.Vinodhini, Mr. G.Ragesh	-do-	-do-	0.93
3.	Design, fabrication and optimization of Tofacitinib loaded cubosomal transdermal drug delivery system using DoE software and its characterization studies for the effective treatment of Arthritis	Dr. X.Fatima Grace Dr. S.Shanmuganathan	-do-	-do-	0.80
4	Molecular docking studies of selected biomarkers of a patented polyherbal formulation with active sites of CYP families	Mr. Bharath R., Dr. Rajanandh M.G.	Chancellor's Summer Research Fellowships	2018, 1 year	0.1
5	Shushkpurisham – The natural disinfectant room spray	Mr. Balaji B.S., Dr.R.Thirumalaikumaran	-do-	-do-	0.1
6	Comparative SWOC Analysis of Pharmacy Education curriculum through Likret scale survey	Ms. Aishwarya Margabandhu, Dr. Saba Maanvizhi	-do-	-do-	0.1
7	In vitro alpha amylase and alpha glucosidase inhibitory potential of whole plant <i>Boerhavia erecta</i> L	Ms. Sandhiya K., Dr. M.Sangeetha	-do-	-do-	0.1
8	Biogenesis of metal nanoparticles using palm nector (Pathaneer), its characterization and biological evaluation	Mr. Gowtham S., Mr. R.Nanthakumar	-do-	-do-	0.1

VIDYA SUDHA

SRI RAMACHANDRA LEARNING CENTRE FOR CHILDREN WITH SPECIAL NEEDS

I. CHILDREN'S PROGRAMME

i. Early Intervention Centre

- 43 children were admitted taking the total strength to 80 children

Presently in Vidya Sudha,

- **Early intervention group:** Four classes (of children with varying disabilities aged 3-6 years) - around 7- 8 children per class.
- **Early Intervention - Cerebral Palsy unit:** One class (age 3-6 years) for children with Cerebral palsy. 6 children enrolled.
- **Pre-primary group** – One class (4-6 years) of eleven children who get included into mainstream school.
- **Vidya Sudha Intensive Multidisciplinary Programme (VIMP):** Two classes (age 3-5 years) for children with Autism Spectrum Disorder. 11 children were enrolled. It is a multidisciplinary programme where fulltime special educator, speech pathologist and occupational therapist jointly work together for the development of child with ASD. This is a new initiative of the year.
- **One Infant Stimulation group** (0-2½ years) where the focus is on early stimulation. 17 infants enrolled.
- **Other services:** Multidisciplinary services such as Occupational therapy, Special education, Speech therapy, Physiotherapy, Vision therapy, Hearing assessment, Diet counseling, Feeding techniques & Oro-motor stimulation activities, Behavior modification and Montessori education are being given to all children with special needs.

ii. Parent Training Program (PTP)

- To streamline the assessment process and the intake of children into the centre - 18 children enrolled.

iii. Remedial Program

- Children with poor academic performances are enrolled for admission under this bi-weekly follow up program
- Five regular school going children with special needs were given admission through this program. Subjects like language, mathematics, science, social science and handwriting training were given more focus.

iii. S.N.A.C.K – Special Needs Activity Centre for Children with Special Needs

- S.N.A.C.K is a summer camp held every year for children with special needs and for their siblings. This program was extended to SRU employee's children this year. Around 40 children benefited through this camp.

iv. Other services:

- The Ophthalmology department has set up a unit in Vidya Sudha and all children have been assessed and those with low vision have been started on visual stimulation / therapy.

- All children are being assessed on their nutritional status by the Clinical Nutrition department and parents are being advised accordingly. They are put on regular follow ups.
- Clinical Psychology department has started the Applied Behaviour Analysis programme and are currently working with a couple of children.
- A feeding program has been started for all children with issues which are being closely monitored by the Speech department. Strategies on proper posture and feeding are being shown to the parent.

v. Support services:

- Vidya Sudha not only provides intervention programmes to children with special needs but also provides more attention to the independency of the children and their families. To advocate the rights of children and their families, it initiated support services. During the year 2018, it guided and counseled many parents to get free bus passes (18 nos), Maintenance grants (7 nos) and National ID cards (37 nos) for Persons with Disability from Office of the State Commissionerate for the Differently Abled, The Government of Tamil Nadu.

- vi. Parents –Teacher Meeting and Father’s day** were convened on 17th March 2018 and 19th December 2018 at Vidya Sudha. All parents and their relatives attended. This was convened to fulfill the objectives of bringing parents together to exchange views and ideas regarding the services / programs of Vidya Sudha, to maintain harmonious relationships between parents and the professionals for betterment of the children with special needs and to help them realize their respective roles in promoting Individualized Family Support Programs (IFSP) and Early Childhood Special Education (ECSE) programs at home

II.SCHOOL INCLUSION & REFERRALS

- 18 Children with low support need were integrated at Balwadis, play schools and mainstream school.
- Vidya Sudha has successfully included 22 children in special schools. Due to age limit and severity of disability conditions, these children were referred to nearby special schools for further intervention

III. NEW INITIATIVES

- **Rural Disability Screening and Awareness Camp (RDSA)** - Vidya Sudha in association with Karthikeyan Child Development Unit (KCDU) and its constituent colleges organized this camp. 75 participants were screened, out of which 67 were identified as high risk with disabilities. Sri Ramachandra Rural Health Centre, Department of Community Medicine rendered their place for the camp. The Department of Differently Abled, Thiruvallur, The Sarva Shiksha Abiyan, Thiruvallur and The Department of Rural Development and Panjayat Raj, Govt. of Tamilnadu supported the event.
- **Feeding and Swallowing Clinic** was started to cater to the needs of children with feeding and swallowing issues.
- **Vidya Sudha Intensive Multidisciplinary Programme (VIMP) unit** was extended this year for the welfare of children with Autism Spectrum Disorder. Due to the need of ASD children, one more section was extended. Two full time Special educators, Occupational therapist and Speech pathologist work together with parents and other allied departments’ faculties.
- **New curriculum** was introduced for Pre-primary (e.g. Regular school syllabus/ Montessori syllabus), VIMP(e.g. Communication de all check list) and Remedial programmes (e.g. Hand writing training and extra care in regular academics)

III. TRAINING & EMPOWERMENT

i. PARENTS:

- Training programs for parents were conducted to enable them to appropriately handle their children as well as to carry over the follow up home programs.
- For the well being of children and parents, Vidya Sudha conducted seven parent training programs on the topics of feeding, swallowing, ADLs, nutrition and diet, clinical nutrition etc.,

IV. EVENTS & CELEBRATIONS
