REPORT ON ALUMNI WEBINAR SERIES – 5

(SOLID WASTE – A RESOURCE)

A webinar was organized on 17th April 2021 by the Faculty of Management Sciences – SRIHER on the topic “Solid Waste – A Resource”. All the management students were a part of the alumni talk. The resource person was Dr. Hari Balaji, Alumnus (Batch 2010 -2012) Head of Information, Education and Communication department, Urbaser Sumeet.

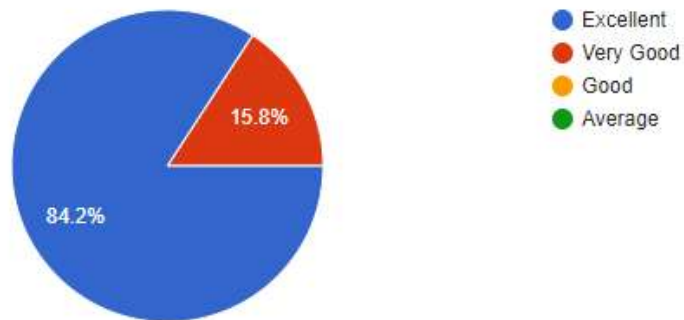

The speaker gave a gist about the various types of wastes, how wastes were segregated, what are the different zones, zonal waste disposal and so on. He also gave an essence about the waste management, current problems faced, the scope, job opportunities and much more. Following that there was a doubt clarification session in the end where he patiently listened and gave clear cut answers to all.

On the whole it was an interactive and an informative session. He created awareness among the students about the importance of waste management which was an eye opener. The deliverables from these types of lectures are clearly the knowledge asset for the students.

Report on the Self -Enhancement Sessions conducted as part of the Student Induction Program:2020-2021

Date: 9th November 2021

Online Platform: Gotowebinar

Two self-enhancement sessions were conducted on 9th November 2020 as part of the student induction program for the first year under graduate students. There were nearly 680 participants including students from different faculties in the University.

The event was coordinated by Dr. Lakshmi Venkatesh, Assistant Dean Students (AHS) along with Dr. Leena Dennis Joseph Associate Dean -Students. Dr. Lakshmi welcomed the students, faculty and the resource persons for the session.

Mrs Usha Ramky, Life Skills Coach conducted a session titled “SelfIE: Self Image Enhancement - ABCD of college life”. Mrs. Usha explained ABCDs including A- Amazing Attitude, B- Brilliant Bachelors, C- Confident career path and D- Distanced distractions with beautiful examples of life stories, including her own. She also explained the importance of “being in the present” and clearly understanding the difference between the “reel life” shown in movies and our own “real lives”.

Dr. Archana B conducted a session titled "Know your breath, know your life – Experience the power of mind and breath". She explained the power of breathing to control the mind in a simple easy to understand manner. A session was engaging as Dr. Archana encouraged participants to do on ‘desktop yoga’, simple exercises that can be done every day and the ‘Bastrika Pranayama’ to energise the mind. This was followed by a guided meditation session that was relaxing to everyone.

The participants were interactive in the chat box leaving their comments and also asked several questions at the end of each session. Dr. Balaji Singh, Dean of Students also joined the session and appreciated the resource persons for their interactive and useful sessions. Mrs. Sumitha, Assistant Dean – Students (BMS) proposed the vote of thanks at the end of the session.

MATERNAL AND NEWBORN CARE IN CURRENT ERA

Date:
18th January 2021

Time:
09.00 am to 01.30 pm IST

Click here to Register:
<https://bit.ly/2K7oZCR>

Maternal and Newborn care has come a long way from provision of care only after occurrence of the problem and during the emergencies. Today maternal and newborn health focuses on preventive, promotive, curative and rehabilitative aspects. Advancement in maternal and newborn practices help to provide personal and compassionate care to every woman and newborn using current, up-to-date technology with reduction in the healthcare costs, medical errors, and quality perinatal care.

Objectives of the webinar:

- Update the trends in the field of perinatal, infertility and newborn care
- Explore the advancement in the community services in perinatal and newborn care
- Recognize the role of nurses in rendering perinatal care in the current era

REPORT OF PATIENT SAFETY WEEK

The department of nursing foundation observed the patient safety awareness week on 10.03.2015 and 11.03.2015.

The theme for the patient safety awareness week for the year 2015 was "United in Safety."

The programme began on 10.03.2015 with the pretest on fall prevention awareness at 8.30 am at lecture hall 9, faculty of nursing. The B.Sc (N) I years and the B.Sc (N) (Postbasic) I years attended the pretest. This was followed by welcome address by Dr. A.Seethalakshmi. The sensitization on fall prevention was done by Sr. I.Reeta Jennifer, Senior Nurse, Fall prevention Team, SRMC. A role play was enacted on how to provide health education to patients on fall prevention. The vote of thanks was rendered by Mrs. A.Manjula. The students were then assigned to different areas of SRMC and G Block where they provided patient and family education on 10.03.2015 and 11.03.2015 forenoon session using pamphlets and flash cards. The areas covered by the sensitized students were E3,B3,E4,B4,E5,E6&E7 at SRMC AND I,II,III,IV, & V floors of G block.

The faculty from the Department of Nursing foundation namely Mrs. A.Manjula, P.Geetha. K.Sathiya, J.M.Jency and Dr. A.Seethalakshmi supervised the students. The students attended the posttest on 11.03.2015 at 11.00 am at lecture hall 9.

The total numbers of beneficiaries were:

Students: 107

Patients: 400

The Professional & Personal Enhancement Program (PPEP) was conducted “ When to study How to study “ on 6.8.2015 by Dr. D. Kandaswamy , for I BDS & II BDS -160/200 students attended. The objectives of this program was to encourage the student to study daily and the advantages of regular scheduled day to day studying rather than studying only during the exams. The difference between need to know and nice to know was emphasized

PROGRAMME REPORT

The Department of Oral Pathology & microbiology in collaboration with the department of Forensic Medicine-SRU, conducted the CDE programme on Forensic odontology on 12th September 2016 in the lecture hall III of the medical college building. About 250 IIIrd year MBBS students, 100 IIIrd year BDS students, 12 post graduates and 20 faculty members participated and got benefited by the programme. The delegates were awarded 2 DCI points by the Dental council of India.

The programme started with the prayer song followed by the SRU anthem. Professor D. Kandaswamy- Dean of Faculty of Dental Sciences welcomed the gathering. The programme was inaugurated by Sri.Vaniyapermal IPS – IG, Police training academy – Chennai, by lighting the kuthuvilaku. Dr. Sampath kumar –HOD, Department of Forensic Medicine and Professor S.P. Thyagarajan- Dean Research-SRU also graced the occasion. The speaker Dr.Parul Khare Sinha from Jiao Tong university-Shangai; China, is an expert in the field of forensic Odontology. She delivered the keynote lecture on “Mystery of Death- Dental anthropology”. The lecture also involved interesting case series of dental anthropology.

INDUSTRY ORIENTED APPLIED PHARMACOLOGY WORKSHOP

There is a booming and flourishing career in the pharma industry for young budding pharmacologists. Yet the awareness and practical knowledge about the various opportunities and skills required to work in the industry is a big lacunae in the curriculum for post graduates. This workshop was organized to create professional awareness in the postgraduates and to bridge the gap in applied pharmacology between academics and industry. The sessions were designed to train the participants in some of the key skills & job areas of pharmaceutical industry and Contract research organizations. Eminent young academicians, Clinical pharmacologists and healthcare professionals from pharmaceutical industry will conduct the various interactive sessions with hands on training for 2 days.

Department of Pharmacology conducted a National workshop on "Industry Oriented Applied Pharmacology" on 21st and 22nd September 2017 at Sri Ramachandra Institute of Higher Education and Research.

Approximately 100 delegates from various parts of India participated in the workshop. The focus of the workshop is to bridge the gap in the knowledge and the skills of the postgraduates for a career in Pharma industry. Resource faculty were from the Pharma industry and contract research organizations delivered the lecture and hands on training to the delegates.

This Programme was attended by postgraduate students from Tamilnadu, Kerala, Karnataka, Maharashtra, Gujarat, Andhra Pradesh, and Telungana. The Delegates had given a very positive and appreciative feedback with very good and excellent remarks for the topics, speakers' quality and content, resource materials, arrangements, and the food. Some of the delegates suggested covering more topics like PK & PD modelling and Therapeutic drug monitoring concepts. Overall this workshop was successful with very good inputs from the delegates. Many requested to conduct more workshops like this by the department of Pharmacology in the future.

Alumni Pep Talk Report - May 2019

The Alumni committee conducted a Professional enhancement talk on the 21.05.2019, Wednesday at our dental college by our alumni speaker, Dr.Prazwala from the 97-98 Batch. The talk was attended by around 65 of our faculties and interns. We got to experience her journey to Harvard university under the title " Yours toothfully". Dr.Prazwala shared about how to keep ourselves focussed to our work and aim higher in life to achieve our goals. The speaker was felicitated on stage by our beloved Dean, Dr.C.Ravindran. She thanked all the senior faculties of our college for setting her roots deep and stronger to face tough situations to be crossed during her journey. Her talk was quite emotional and motivational for students to push themselves from within to seek the path of life.
