SRI RAMACHANDRA

INSTITUTE OF HIGHER EDUCATION AND RESEARCH

(Category - I Deemed to be University) Porur, Chennai

PROSPECTUS - GROUP - B

Admission to

The following undergraduate degree Programs – 2026-27
through All India Common Entrance Examination conducted by this
Deemed University for National Commission for Allied and Healthcare
Profession Courses (Admissions will be based on prevailing NCAHP Guidelines)

- B.PT (Bachelor of Physiotherapy)
- B.OT (Bachelor of Occupational Therapy)
- Bachelor of Medical Radiology and Imaging Technology (B.MRIT)
- Bachelor of Radiation Therapy Technology (B.RTT)
- Bachelor of Optometry (B.Optom.)
- Bachelor of Emergency Medical Technologist (B.EMT)
- Bachelor of Medical Laboratory Science (B.MLS)
- Bachelor of Dialysis Therapy Technology (B.DTT)
- Bachelor of Anesthesia & Operation Theater Technology (B.AOTT)
- Bachelor of Physician Associates (B.PA)
- Bachelor of Nutrition and Dietetics (Honors)
- B.Sc. Health Information Management (HIM)
- Bachelor of Respiratory Technology (B.RT)
- Bachelor of Science in Nuclear Medicine Technology (B.Sc. NMT)

Reaccredited by
National Assessment and
Accreditation Council with
'A++' Grade

NABH Reaccredited

NGCMA, DST, Govt. of India
GLP Compliance Certified
CEFT
(Centre for Toxicology &
Developmental Research)

**(Late) Shri N.P.V. RAMASAMY UDAYAR
FOUNDER - CHANCELLOR**

The Vision

“To offer diverse educational Programs that facilitate the development of competent professionals and valuable citizens, who demonstrate excellence in the respective disciplines, while being locally and globally responsive in areas of education, healthcare delivery and research”.

The Mission

Sri Ramachandra Institute of Higher Education and Research (Deemed to be University) will actively promote and preserve the higher values and ethics in education, health care and research and will pursue excellence in all these areas while consciously meeting the expectations of the people it serves without prejudice and in all fairness stay socially meaningful in its propagation of the various arts and sciences to enrich humanity at large.

Bachelor of Respiratory Technology (B.RT)	Candidates must have completed 10+2 with Physics, Chemistry and Biology with a PASS marks.
Bachelor of Science in Nuclear Medicine Technology (B.Sc. NMT)	<ol style="list-style-type: none"> 1. Candidate must have passed Senior Secondary (10+2) or equivalent with Physics, Chemistry & Biology. 2. For candidate has completed 17 years of age at the time of admission or will complete that age on or before 31 December of the year of his/her admission to the first year of the Undergraduate Allied and Healthcare Course.

ABOUT SRIHER

Sri Ramachandra Medical College and Research Institute was established by Sri Ramachandra Educational and Health Trust under its Founder & Managing Trustee Shri. N.P.V. Ramasamy Udayar, in the year 1985 as a not-for-profit and self-financing institution and dedicated to serve the society as a centre of excellence in medical education, research and health care.

In view of its distinguished academic excellence achieved under the dynamic and fore-sighted leadership of the visionary Shri. N.P.V. Ramasamy Udayar, the Govt. of India declared Sri Ramachandra Medical College and Research Institute as a Deemed to be University in September 1994 under Section 3 of the University Grants Commission (UGC) Act, 1956. In August 2018, the university was renamed as Sri Ramachandra Institute of Higher Education and Research (SRIHER) as per the MHRD directions. Shri. V.R. Venkataachalam is currently the Chancellor and Shri R.V. Sengutuvan is the Pro-Chancellor of the Deemed University.

SRIHER has evolved as a multidisciplinary higher educational institution encompassing 15 distinct faculties offering 160+ UG & PG programs in a broad range of disciplines such as Medicine, Dentistry, Pharmacy, Nursing, Allied Health Sciences, Engineering and Technology, Management, Biomedical Sciences, Physiotherapy, Occupational Therapy, Sports Sciences, Public Health, Clinical Research, Audiology and Speech-Language Pathology, and Behavioural and Social Sciences.

SRIHER offers Ph.D. / D.Sc. program in all the disciplines and its academic excellence and integrated infrastructure are the foundation for its long standing legacy.

KEY ACCREDITATIONS AND RECOGNITIONS

SRIHER has achieved exceptional recognition and acclaim, cementing its position as a premier institution.

- The UGC granted Category - I Status in March 2018 under the "UGC (Categorization of Universities for Grant of Graded Autonomy)" Regulations 2018.
- The National Assessment and Accreditation Council (NAAC) reaccredited (Cycle – 3) with an 'A++' Grade (CGPA of 3.53 on a 4-point scale) in 2021.
- NIRF Rankings for 2025: 60th among national Universities, 21st among Medical Colleges, 13th among Dental colleges, and 36th among Pharmacy colleges as recognised by the Ministry of Education.
- Sri Ramachandra Hospital is accredited by NABH (National Accreditation Board for Hospitals & Healthcare Providers) 5th Edition.
- Pharmacy and Management Programs are accredited by the National Board of Accreditation (NBA).
- The National Medical Commission (NMC) have recognized Sri Ramachandra Medical College & Research Institute as the regional centre for Basic Workshop in Medical Education Technologies. In 2012, the centre was upgraded as one of the 10 Nodal Centres in India, offering Advanced Course in Medical Education.

- Remarkably, SRIHER is the only non-governmental institution accredited by the Atomic Energy Regulatory Board (AERB) for personnel radiation exposure monitoring through its Biodosimetry Lab within the Dept. of Human Genetics.
- The University is ranked within the 400-600 band in Global Sustainability Rankings, reflecting its dedication to Sustainable Development and Innovation.

CAMPUS AND FACILITIES

Spread over 150 acres, the Deemed University is housed in a refreshingly green campus. Well-manicured lawns, sprawling open spaces and trees dot the campus. The campus boasts a wide range of facilities, including a state-of-the-art Central Library, huge auditorium, well-equipped classrooms, seamless Wi-Fi connectivity and comfortable hostels for both gents and ladies offering premium amenities. The campus itself is a township with colleges, medical centre, staff quarters, play grounds, swimming pool, multi-cuisine restaurants, Bank with ATMs, retail stores, travel service, Railway Reservation Counter and a Post Office.

HOSTEL FACILITIES

The serenity of the hostels with the lush of greenery by the abundance of flora and meadows makes the hostels a pleasant and memorable place to continue the education. There are separate Hostel facilities available in the campus for males and females to accommodate around 6,000 students of various disciplines. Separate and comfortable hostel facilities for international students are available in the campus. The hostels are equipped with uninterrupted power and water supply, Wi-Fi, study hall, laundry service, mess, cafeteria, gym, indoor sports etc.

INTERNATIONAL STUDENTS ADMISSIONS

SRIHER offers a diverse, multicultural environment for international students with robust academic programs, extensive campus facilities and numerous academic, co-curricular and extracurricular activities. Admissions for international students (Foreign Nationals and NRIs) are coordinated by the International Relations Office.

Contact E-Mail: admissions.international@sriramachandra.edu.in.

ACADEMICS, CO-CURRICULAR AND EXTRA-CURRICULAR ACTIVITIES

- SRIHER stands out as a leader in higher education with its flexible and dynamic curriculum, innovative research opportunities and strong global connections. The University houses well-facilitated laboratories and research centres across all faculties enabling students to explore, discuss, disseminate knowledge and strengthen their research capabilities.
- SRIHER provides students with hands-on practical and clinical training experience at two on-campus hospitals.
- Besides imparting knowledge through quality education, students are provided with more opportunities to actively organize and participate in the Co-Curricular activities such as Conferences, workshops and symposia and to strengthen their technical expertise.

- SRIHER fosters Extra-Curricular activities including Sports, NSS, NCC, cultural performances and various Clubs to develop their essential qualities like leadership, team co-ordination etc.
- The NSS unit is active and dynamic with 6 units playing pivotal role in transforming 11 adopted villages into open defecation-free, garbage-free and disease-free communities. The NSS Volunteers contribute significantly to improve public health and overall quality of life in these villages.
- The National Cadet Corps (NCC) – Army and Naval wings help students develop a strong sense of patriotism and social responsibility.
- SRIHER proudly houses 16 dynamic clubs like Dance, Debate, Fitness, Rotaract, Tamil, English Literature, Theatre, and Yoga etc. The various Club activities within the campus are driven by the students with mentorship from faculty experts well aligned with the University’s vision of serving community and thereby seeking the holistic development of the student’s personalities through a positive societal impact.

THE HOSPITAL

Sri Ramachandra Hospital is well equipped with 2,500 beds and state-of-the-art equipment’s and serves as the largest ICU in the region. The hospital continuously upgrades its services to meet the needs of both urban and rural populations offering a wide range of super-specialities. With a global reputation for excellence, the hospital receives inpatients and outpatients from around the world and has expanded its reach through robust international patient services. The hospital offers the student trainees with ample opportunities to acquire knowledge and skills from the finest doctors in the country.

CENTRAL LABORATORY

The fully air conditioned Central Laboratory of Sri Ramachandra Medical Centre is situated at Shri. Ramasamy Udayar Block. The Laboratory has sophisticated and fully automated biochemistry analysers, cell counters, automated culture identification and susceptibility systems. Most of the equipment’s are interfaced with the Laboratory Information System (LIS) and integrated with Hospital Information System (HIS).

The Blood Bank which is one of the largest in Asia with 10,000 Sq.ft. area which provides state-of-the-art blood and component transfusion support to the patients. The Central laboratory is NABL reaccredited.

ALUMNI ASSOCIATION

SRIHER is proud to have an extensive Alumni network of over 20,000 graduates across various disciplines, who serve as global ambassadors, strengthening the institution’s reputation and broadening its global reach. The university also maintains strong connections with leading industries, providing students with valuable internship opportunities and placement support. This strong industry partnership empowers graduates to pursue higher education with confidence and secure employment opportunities, both locally and internationally with global assurance.

13. Sri Ramachandra Faculty of Audiology & Speech Language Pathology
14. Sri Ramachandra Faculty of Occupational Therapy
15. Sri Ramachandra Faculty of Behavioural & Social Sciences

1. SRI RAMACHANDRA MEDICAL COLLEGE & RESEARCH INSTITUTE

Sri Ramachandra Medical College & Research Institute (SRMC&RI) was started in the year 1985 with MBBS program, well equipped with modern facilities and infrastructure to support medical education and patient care. The hospital attached to the college provides comprehensive healthcare services to the community and serves as a training ground for medical students.

The Medical College is one of the first few colleges in India to obtain permission to admit 250 students since the academic year 2011. The MBBS programs as well as all the medical postgraduate programs that come under the purview of the National Medical Commission (NMC) are conducted with the approval of the NMC. Postgraduate education opportunities such as M.D., M.S., D.M. and M.Ch. are available in a wide spectrum of specialties and super specialties

Sri Ramachandra Medical College & Research Institute has been ranked No.1 among private medical Universities by THE WEEK magazine and No.2 among private medical Universities by OUTLOOK magazine in the year 2025.

In the NIRF-2025, Sri Ramachandra Medical College & Research Institute has been placed at 21st rank among all the Medical Colleges in India.

The college follows a rigorous curriculum (Competency Based curricula as notified by the NMC) that combines theoretical knowledge with practical training. It has a faculty comprising of experienced doctors, professors, and medical professionals who guide and mentor the students throughout their academic journey.

Sri Ramachandra Medical College & Research Institute has a strong emphasis on research and innovation, with central research centre facilities dedicated to advancing healthcare and medical sciences. It also has collaborations with several international institutions for research and academic exchange.

2. SRI RAMACHANDRA DENTAL COLLEGE & HOSPITAL

Sri Ramachandra Dental College & Hospital (SRDC&H) was started in 1995 as a constituent college of the Deemed University. Utilizing a floor space of 2,29,000 sq.ft, the college has 343 well equipped dental chairs to fulfil the needs of the undergraduates and postgraduates in every branch of dentistry. There are specially designed laboratories and teaching facilities such as lecture halls, auditoria, departmental seminar rooms and departmental libraries which make this a well-recognized institution in the country.

Advanced diagnostic equipment's such as Orthopantomograph, Cephalostat maxillofacial and dental radiography, CBCT & intraoral scanner are available. In addition to the state-of-the-art designated dental operation theatres, the vast diagnostic facilities that are available at the Medical Centre are also readily accessible for the students and faculties of the dental college.

Several hundred patients who visit the dental college and hospital every day appreciate the comprehensive care provided. Integrated Curriculum for the B.D.S. program has been introduced.

The B.D.S. Program offered is recognized by the Dental Council of India and the Dental Councils of Malaysia and Sri Lanka. Among the academic collaborations entered into by the college those with the University of Campania Luigi Vanvitelli-Italy, Southampton University NHS foundation trust-United Kingdom, West Virginia University-United States of America, Universiti Malaya are notable.

In NIRF 2025 Ranking, Sri Ramachandra Dental College has been placed at 13th rank among all the Dental colleges in India.

3. SRI RAMACHANDRA FACULTY OF PHARMACY

Sri Ramachandra Faculty of Pharmacy (SRFP) commenced its academic journey in 1993. The college is recognized and approved by the Pharmacy Council of India (PCI), New Delhi, and is accredited by the National Board of Accreditation (NBA) for the B.Pharm. degree program. In the NIRF 2025 rankings, the Faculty of Pharmacy secured the 36th position at national level. Recognized as one of the seven members of the FIP-UN ESCO UNITWIN Centre for Excellence in the South East Asia Region.

The institution is located in a multi-level building with well-equipped research laboratories and attracts research scholars from across the nation. Faculty members are actively involved in research projects funded by DST, ICMR, and other central government agencies. Students interact with distinguished scientists from India and abroad through the visiting professors

scheme. State-of-the-art equipment and up to date information on the latest drugs and therapies enable the students to practice anywhere in the world successfully.

Various in-house and external scholarship schemes are facilitated for needy students, with support from over ten external agencies and multiple university scholarships.

The Faculty has signed MOUs with international institutions and industries, like University of Maryland , St. John Fischer University and Scitus Pharma services Pvt. Ltd., supporting student exchange program and training effectively worldwide.

4. SRI RAMACHANDRA FACULTY OF NURSING

Sri Ramachandra Faculty of Nursing (SRFN) established in 1993, offers nursing education with emphasis on clinical experience for quality patient care. The institution with state-of-the-art infrastructure, unparalleled technical expertise, comprehensive and innovative teaching-learning activities and diligent faculty aspires to prepare intellectually enlightened, emotionally balanced, and socially committed professional nurses.

The institution offers competency based curriculum that includes theoretical content, simulated learning in skills labs and clinical experience in multi-specialty, in-house University teaching hospital and community health centres. The varied research opportunities for the students with faculty members as mentors create a platform to develop inquisitiveness and innovations. Active and vibrant collaboration with international Universities is an added advantage.

5. SRI RAMACHANDRA FACULTY OF PHYSIOTHERAPY

Sri Ramachandra Faculty of Physiotherapy (SRFPT) was established in August 1993 and offers an under-graduate program, post-graduate program with distinct specialty training in orthopedics, neurology, cardiopulmonary, women's health and oncology with a focus on specialized skills and competencies. The programs are offered under Choice Based Credit System (CBCS). Further the faculty offers Ph.D. program, fellowship programs in Neuromotor rehabilitation in cerebral lesions and Pelvic health Physiotherapy and value added program on Diabetes Educator Course for Physiotherapists. Faculty of Physiotherapy is committed to prepare the students with leadership roles in rehabilitation, expertise in preventive health care, fitness and wellness.

Sri Ramachandra Faculty of Physiotherapy is located in a five storied individual building with well-equipped lecture halls, labs, comprehensive outpatient Clinic and demonstration halls. Students get their skill development and clinical practice at Sri Ramachandra Hospital, Medical Centre and Sri Ramachandra Rehabilitation Centre, which are the multi-specialty health care hubs attached to the University.

Placement Opportunities

Students got placed in reputed organizations including Pain and Stroke, JK Physio, ProPhysio, Braintree, O2 Health Studio CAPAAR, Birth Basix, Malla Reddy Vishwavidyapeeth, Jogo health Chennai, Sparrc, Physiocare, Global hospitals, Hamsa Rehabilitation centre, etc.

6. SRI RAMACHANDRA FACULTY OF ALLIED HEALTH SCIENCES

Sri Ramachandra Faculty of Allied Health Sciences (SRFAHS) is a pioneer and benchmark institution in Allied Health Education in India. Since launching the nation's first B.Sc. Allied Health Sciences program in 1995, SRIHER has maintained strong academic equivalence and global recognition through outcome-based curricula and internationally aligned frameworks.

The academic credibility of SRIHER's programs is further supported by recognition from key national and international bodies, including the Government of Tamil Nadu, the Association of Indian Universities (AIU), the International Education Research Foundation (IERF), USA, the National Academic Recognition Information Centre (UK NARIC), and universities in New Zealand.

Research is an integral part of both undergraduate and postgraduate programs, fostering critical thinking, innovation, and evidence-based practice. Faculty members are dedicated educators and active researchers, contributing to knowledge advancement while responding to the evolving demands of healthcare.

Allied Health Sciences professionals trained at SRIHER play a vital role in the healthcare sector. They are technologists with a strong scientific background who assist physicians in diagnostic and therapeutic care. They provide critical diagnostic, therapeutic, and preventive services, support clinical teams, enhance patient care, and improve health system efficiency.

7. SRI RAMACHANDRA FACULTY OF ENGINEERING AND TECHNOLOGY

Sri Ramachandra Faculty of Engineering and Technology (SRFET) was established in 2019 and aimed to promote excellence in engineering and technology education, by preparing graduates, to address societal needs and be at the forefront of innovation and research in the fields of Artificial Intelligence, Data Analytics, Cyber Security & Internet of Things, Medical Engineering, Health Informatics, Electronics Engineering.

The SRFET programs stand out for their practice-oriented curriculum, compulsory industry internships starting from the first year, and placement training provided by industry professionals. Students benefit from several Memorandums of Understanding (MoUs) with foreign universities, offering opportunities for internships and higher education.

The programs also support students in establishing start-ups and engaging in research activities in Artificial Intelligence, Machine Learning, Data Analytics, Cyber Security, Internet of Things and Medical Engineering and Health Informatics. SRFET programs are modeled after some of the best Programs in India and around the world. With a blend of strong fundamentals and experiential learning, these Programs are aimed at preparing graduates to meet the engineering challenges of industry and society.

8. SRI RAMACHANDRA FACULTY OF MANAGEMENT SCIENCES

Sri Ramachandra Faculty of Management Sciences (SRFMS) has celebrated the silver jubilee year in 2025 commemorating its inspirational journey in producing the managerial talent in the healthcare sector.

SRFMS offers collaborative Executive Education programs in Healthcare Management, Healthcare Finance, Healthcare Digital Transformation and Healthcare Strategy. The Faculty has been rated as one of the best management schools in the State by Business Standard B-School Survey. It was placed under "Platinum Category" by AICTE-CII Industry-Institute Survey. It forges partnership with outstanding academic institutions and healthcare organizations like Bentley, USA, ACCA-UK, ICAI, XLRI, ZOHO, Qur Health, Mellon Ai to learn and acquire knowledge and practices for the benefit of students and fosters collaborative research and training for mutual benefit. The curriculum is designed with the needs of industry in mind and is constantly revised to reflect emerging developments in the area of healthcare.

USPs:

- NBA Accredited MBA program
- Rigorous teaching and learning environment with industry-oriented curriculum delivered by the eminent visiting faculty from IIMs, IITs and healthcare industry.
- The admission to MBA is made through the nationally administered tests such as CAT, MAT, XAT, CMAT, TANSET, SRFMSMAT along with group discussions and personal interview.
- Recognised as Championship Scheme Centre by the Ministry of MSME coupled with the collaboration with many leading healthcare organizations and educational institutions such as SRMC, ACME, NEN, BENTLEY University, USA, ICAI, XLRI.

9. FACULTY OF BIOMEDICAL SCIENCES AND TECHNOLOGY

Sri Ramachandra Faculty of Biomedical Sciences and Technology (SRFBMST) spearheads excellence and innovation in healthcare education and embodies a proud tradition of academic distinction and pioneering research.

The SRFBMST is comprised of three major life sciences verticals that are Biomedical Sciences, Biotechnology and Human Genetics offering a bouquet of undergraduate and postgraduate programs. With cutting-edge facilities and high profile faculty members are dedicated in shaping the next generation of biomedical professionals, particularly in the dynamic fields of cancer biology, wound healing, metabolomics, transcriptomics, regenerative medicine, nanotechnology, radiation biology, human genomics, epigenetic regulations and 3D bioprinting.

Our mission is to equip students with the expertise needed to address the burgeoning demand for biomedical scientists, geneticists and medical biotechnologists. Through a comprehensive curriculum covering developmental biology, medical biotechnology, gene editing, plant based novel therapeutics, cancer therapeutics, tissue engineering principles, and both clinical and non-clinical applications of stem cell technology, our students are prepared for impactful careers in this rapidly evolving field.

Our commitment to excellence is reflected in our numerous publications and in the success of our graduates, who secure positions in leading industries and prestigious universities both in India and overseas. Collaborations with national and international universities and industry partners enrich our educational offering, fostering entrepreneurship and innovation.

10. SRI RAMACHANDRA FACULTY OF PUBLIC HEALTH

The Department of Environmental Health Engineering, Sri Ramachandra Faculty of Public Health (SRFPH) was set up, as a part of the Basic Science Research Wing of the university in 1998 with the aid of financial assistance provided by the United Nations Industrial Development Organization (UNIDO).

The primary focus of the department is to conduct the health risk assessments for environmental pollutants (in both-the occupational and ambient environment). With more than two and a half decades of experience in global environmental health research, the department has been involved with a network of more than 50 national and international organizations for research and training collaborations, the most notable amongst them being the collaboration with UC Berkeley under the support from the ITREOH program of The Fogarty International Centre and the International Integrated Experts Program of the GTZ.

The department is a recipient of several extra-mural research and training grants from USEPA, NIH (USA), Bill & Melinda Gates Foundation, WHO, World Bank, UNDP, UNEP, NIHR, ICMR, DBT and other Central and State Ministries of Govt. of India. The World Health Organization (WHO) has designated Sri Ramachandra Institute of Higher Education and Research as a WHO Collaborating Centre for Research and Training in Occupational Health from 2007 (from 2015 as WHO Collaborating Centre for Research and Training in Occupational and Environmental Health).

PROGRAMS OFFERED

UG Programs		PG Programs

11. SRI RAMACHANDRA FACULTY OF SPORTS & EXERCISE SCIENCES

Sri Ramachandra Faculty of Sports and Exercise Sciences (SRFSES) is attached to the Sri Ramachandra Centre for Sports Science, a premier institute for sports medicine and sports sciences offering a host of multidisciplinary services to sports persons through a team of highly qualified and experienced professionals along in sports medicine, physiotherapy, Biokinetics, Biomechanics, Nutrition and Sports Psychology etc. It has state-of-the-art labs for the above and all related facilities.

The centre has been accredited by various international and national sports organizations and authorities including International Cricket Council (ICC), Asian Football Confederation (AFC), Sports Authority of India (SAI), Sports Development Authority of Tamil Nadu (SDAT). The attached Water Sports Centre is a National Centre of Excellence (NCOE) for Rowing. Sri Ramachandra CSS has 4 sports academies under the Govt. of India's Khelo India scheme, viz. Rowing, Shooting, Weightlifting and Hockey.

The undergraduate B.Sc. (Hons.) Program in Sports & Exercise Science is popular among the students with good intake of students every year. The course was developed in academic collaboration with the University of Cape Town, South Africa. This four-year Program covers all aspects of sports and exercise sciences and is compatible for applying to Masters Program to international universities. Masters level Programs in Sports Physiotherapy and Sports Psychology are being offered along with the UG Programs. Besides class room teaching, the students get practical experience through postings in various sports and athletic clubs and other academies. Through the several MoUs with leading international universities, the students have good opportunity to gain international experience during their study period by way of student and staff exchange. Students who graduate will have ample opportunities in getting employment in sports and science establishments, associations, wellness centers and clubs - both private and public sector.

PROGRAMS OFFERED

12. SRI RAMACHANDRA FACULTY OF CLINICAL RESEARCH

Sri Ramachandra Faculty of Clinical Research (SRFCR) is a specialized academic division focused on training and advancing knowledge in the field of clinical trials and medical research. This faculty plays a critical role in bridging the gap between laboratory research and patient care, ensuring ethical standards and regulatory compliance while promoting evidence-based medical advancements.

Clinical research embraces a continuum of clinical studies involving approaches to decipher disease mechanisms; translational research; therapeutic interventions including development and clinical trials of drugs; biologics, devices, and instruments; prevention (primary and secondary) and health promotion; epidemiology; community -based and managed care-based research, etc. under proper ethical guidelines.

Faculty of Clinical Research at SRIHER has been engaging in leading-edge research across tissue engineering and stem cell studies together with cancer biology and biomaterials fields, as well as regenerative medicine, 3D printing, genetics studies, and epigenetics research. With selected faculty members dedicated towards carrying out excellent research in exciting areas of science and medicine, the department has been providing infrastructure and instrumentation support to various faculty members, researchers, and doctoral research students to carry out their research projects. A full-fledged Clinical research division conducts clinical trials on various disciplines in the field of medicine.

Faculty of Clinical Research has signed MoUs with ICMR National Institute for Research in Tuberculosis (NIRT), ICMR National Institute of Epidemiology (NIE) and Nucleome Informatics Pvt. Ltd. for academic and research pursuits.

PROGRAMS OFFERED

ADVANCED CERTIFICATION IN GENOMICS (ACG)

The certification provides Indian Postgraduates (genomics and related domains) a comprehensive experiential and patient-centred up skilling in Genomics Sciences and to equip them to take up Clinical Scientists (Genomic) positions in various health industries.

PLACEMENT OPPORTUNITIES

- 100% placement record from the first batch for M.Sc. Clinical Research in leading CRO, pharma and ICMR projects.

- Placements in industries, research organisations and higher study (M.Sc. / Ph.D.) opportunities in India and Abroad for M.Sc. Stem Cell and Regenerative Biology and B.Sc. Clinical Research Programs

Contact E-Mail : headfcr@sriramachandra.edu.in

13. SRI RAMACHANDRA FACULTY OF AUDIOLOGY AND SPEECH LANGUAGE PATHOLOGY

Sri Ramachandra Faculty of Audiology and Speech Language Pathology (SRFASLP) is dedicated to building successful careers as Audiologists and Speech-Language Pathologists (ASLPs). Audiologists assess and manage hearing and balance disorders and provide aural rehabilitation, while Speech-Language Pathologists diagnose and treat communication and swallowing disorders across the lifespan.

Established in 1995, SRFASLP has a strong legacy in education, clinical service, and research. Following its Silver Jubilee in 2020, it was elevated to faculty status in 2022. The faculty offers RCI-recognized undergraduate, specialty-focused post graduate, and Ph.D. programs. A key strength is extensive clinical exposure, with services delivered to over 35,000 patients annually across diverse age groups and disorders.

Clinical training is supported by state-of-the-art laboratories and therapy clinics spanning approximately 22,000 square feet, providing hands-on experience in specialized areas such as voice and swallowing disorders, cleft lip and palate, stroke rehabilitation, autism, cochlear implantation, electrophysiology, and hearing aid fitting. SRFASLP emphasizes multidisciplinary, student-centered training through academics, research, community engagement, and externships with leading hospitals, clinics, and special schools.

Being part of a multispecialty hospital ensures rich interdisciplinary exposure through referrals from ENT, neurology, paediatrics, neonatology, and genetics.

15. SRI RAMACHANDRA FACULTY OF BEHAVIOURAL & SOCIAL SCIENCES

Sri Ramachandra Faculty of Behavioural and Social Sciences (SRFBSS) established in 2024, FBSS, is an academic hub dedicated to the exploration and understanding of human behavior, mental health, mind-body wellness, societal dynamics, and social institutions. The Faculty serves as a cornerstone for students and researchers who are passionate about addressing contemporary social challenges and advancing human welfare through academic rigor and practical application.

The Faculty comprises four departments, namely: Department of Applied Psychology, Department of Clinical Psychology, Department of Mind-Body Medicine and Life Sciences and Department of Social Work. Applied Psychology programs are designed to equip students with the knowledge, skills, and values necessary to succeed in their chosen careers. With a strong commitment to community engagement, the faculty collaborates with various organizations, institutions, and industries to provide students with opportunities for practical training, research, and community service.

The Department of Clinical Psychology, established in September 2000, is dedicated to excellence in teaching, training, research, and clinical mental health care. It plays a vital role in promoting mental health awareness, reducing stigma, and improving access to evidence-based psychological care. Students gain hands-on training using advanced psychological assessment tools, neuropsychological batteries, and therapeutic facilities such as psychotherapy play therapy, biofeedback, and behavior therapy.

M.Sc. Wellness and Health Coaching is a 2 year postgraduate program, accredited by the Certified Coaches Alliance (CCA), Vancouver, Canada, designed to prepare learners to become competent, ethical, and impactful change coaches in the rapidly growing wellness sector. The Master of Social Work (MSW) is an innovative Program at SRIHER designed to equip students with the necessary skills and knowledge to address complex social issues, particularly in the fields of healthcare and community development. SRIHER, with its renowned healthcare education and service delivery system, integrates the MSW Program with a strong emphasis on medical & psychiatric and community development social work.
